ŁUKASZ KUPŚ

ABOUT ME

I am a Web Developer with 12 years of experience, focused on Front-end side of the development process. I love creating nice and useful things for the Internet people.

In my spare time I love to read sci-fi books, do some jogging, work on side-projects, write tech articles on personal website or learn how to create my own indie game :)

SKILLS

JavaScriptES6 (experienced)
Vue.js / Vuex (experienced)
Git (experienced)
